No special districts have reported board openings to the Elections Office yet, but both they and the school districts have until Friday, Jan. 25, to submit open positions for the May election. A list of open positions for school and special districts will be updated online regularly.

The Declaration for Nomination and Oath of Candidacy forms for school and special districts elections is available <u>online</u> under "2019 Candidate Filing Information." The forms must be submitted, and filing fees paid, by Monday, Feb. 11, for special district elections and Thursday, March 28, for school elections. Candidates should submit their paperwork to the Missoula County Elections Office, located on the first floor of the Courthouse Annex at 200 W. Broadway St. Filing fees and residency requirements vary by district.

Candidates should note that they also must submit additional forms related to campaign finance reporting through the state Commissioner of Political Practices, which also handles campaign finance complaints. More information on those forms is on the <u>COPP website</u>.

While the Montana Secretary of State manages candidate filing for statewide offices and legislative districts, the Missoula County Elections Office handles filing for all local positions, which also includes county and city elections.
